

PUBLIC VISITOR GUIDELINES

Respect the land

- Park and camp in designated areas. Be conscious of tree roots and grass that you might damage. We love our trees.
- Our roads lead to walking trails, which often are soft and wet. Be aware of signage indicating where vehicles can and cannot go.
- Trail bikes are allowed, keep them on the paths. ATVs, dirt bikes and other motorized vehicles are NOT allowed.
- Firewood may NOT be brought from off-site due to an invasion of the Emerald Ash Borer. Please purchase firewood on-site from the woodpile, using the honor box.
- Fires and outdoor cooking are permitted. Shop for steaks and burgers in the Farm Store!
- Ice and soft drinks can also be purchased using the honor boxes.
- Keep your area tidy and attractive. Deposit garbage, compost and recycling in designated areas. We do have critters that get into things.
- Leave no trace of your stay, except foot prints!

Respect each other

- We welcome families with children here. All guests under 18 must be under the supervision of a parent or guardian. Parents, please be with your children after dusk.
- If you are interested in swimming, please sign a waiver.
- We allow pets to come with campers, but we have strict rules that will be enforced. There will be an additional fee at check-in for each of them. All pets must be leashed and held by their registered owner at all times. Owners must be in complete control of pets at all times. No excessive barking will be tolerated. Uncontrolled and unleashed pets will be asked to leave the property. No pets are permitted on the beach at anytime.
- Quiet hours begin at 11pm. Please be mindful of your volume. Programmed music events may extend past this curfew.

We are observing the Social Distancing Guidelines set forth via NYS. We request you wear a mask in the Farm Store. Please keep 6 feet of space between you and others who are not in your family unit.

The Heron is a mindful community, raising conscious vibrations through music, farming, arts, education, and events while enriching lives and the land.
